AMERICAN FASTPITCH ASSOCIATION

It is the purpose of the AFA to conduct the best possible national and state tournaments from all aspects. To achieve this objective, the AFA must have the cooperation of each player, manager or coach, and sponsor.

We are guests in the city that the tournament is conducted, and nothing should occur that would reflect adversely on your team, players, our host city, or the AFA. Therefore, it is required that all teams in the tournament comply with the following rules:

- 1) Team managers must have full control of their players at all times. This means “on” and “off” the field.
- 2) In case of disputed play or decision, team manager or coach may consult with the game officials. The other players and coaches or sponsors are to be kept out of the discussion.
- 3) Managers, coaches, and players are not to fraternize with spectators while on the playing field. At no time will participants be allowed to smoke on the field or in the coaching boxes.
- 4) Managers are to report any unsportsmanlike or derogatory acts by players or spectators to the tournament director. The purpose here is to prevent any serious situation developing that would be harmful to the tournament or its participants.
- 5) Managers, coaches, players, sponsors, and teams are liable for suspension by not adhering to the tournament rules in effect. This could mean suspension for a game, games, tournament or a longer duration depending on the act or violation.
- 6) A player, coach, manager, or sponsor, may be suspended for fighting, abusive tactics, or unbecoming acts that are detrimental and not in the best interest of the AFA and tournament play.
- 7) Be careful of your conduct. Be sure that no action occurs that could reflect adversely on your sponsor, team, or region. Remember that the wrong actions of even one participant can reflect upon your entire team and the game of softball.
- 8) Any report by the hotel or hotel management (where any team competing in AFA championship play is staying) of destruction of property or abuse of hotel property or personnel or failure to pay hotel bills will be dealt with very sternly. Team managers and sponsors will NOT be warned other than through this notice.
